

### [NASA STTR Program Overview - Phase 0](#) [1]

Title:

NASA STTR Program Overview

PDF

[2]

Description:

Research Institutions have a lot to offer to NASA's technology needs—and our program provides an avenue for them to contribute to the agency. Check out this presentation to learn from NASA experts on why research institutions should work with our program—and why small businesses should strongly consider partnering with these research institutions to apply for STTR.
